FOR THE TIMES OF YOUR LIFE

Golden Living
FOR THE TIMES OF YOUR LIFE

Welcome... to Golden Living

Golden Living is for the times of your life! Safe, spacious, luxury accommodation in beautiful locations, Golden Living is designed to give you the peace of mind and independence you want now and in the future.

For relaxing times and active times, Golden Living is the new way to live life to the full. Stylish, exclusive apartments set in landscaped gardens in leafy towns and villages; close to the shops and with an Estate Manager on hand; independence and companionship; privacy, freedom and friendship; Golden Living is all about people.

Golden Living is changing retirement for good. At Golden Living we understand what is important. Enjoy a better way of living, free up capital, fulfil dreams and embrace the future with Golden Living. With elegant new developments planned throughout the UK, there will always be a place to have the times of your life!

Understanding *your* needs

At Golden Living, we understand your needs. That's what makes us different. We build retirement accommodation that's created for you.

Owners of Golden Living apartments have changed their lives, downsized and freed-up their money. They are independent and in control, they enjoy a better way of life with time and money to fulfil their ambitions.

"A new sense of independence and financial freedom"

Couples or individuals, every Golden Living owner knows the benefits of our stylish, secure apartments. With a new sense of independence and financial freedom, everyone can benefit from a Golden Living life change.

Safe, comfortable and easy to manage, all our stylish apartments come with the latest fixtures and fittings.

"Safe, comfortable and easy to manage"

With support and help on-site if needed and a personal service that's second to none, our owners know they're never alone. Golden Living developments are thoughtfully located within walking distance of transport links, quality stores, markets, restaurants and local events.

Living in gorgeous locations, in the heart of communities, Golden Living owners are surrounded by like-minded people, good friends and great companions with shared interests and ambitions. And at the end of the day, our

owners have their own front door key, their own privacy and their own independence.

...for the times of your life.
